Features: Rookie (15) Jr. Classes (20) Sr. Classes (25)

DESIGNATED FUEL

The designated fuel station for all of our events is the Marathon on the corner of Alum Creek & Williams Road. Purchase 89 Octane. For the most assurance you should buy your fuel on the day of the event as we will be purchasing our control sample for testing from this station on race day.

NOTES:

Friday Curfew. If a class feature can not be run, that class will be the first feature class ran on the following Friday event. Friday events will have time limits based on car count.
Warm-up laps may be reduced or limited based on car count.
Race laps may be reduced based on car count.

PROCEDURES:

TECH/TIRES: USAC tech and tire rules will be enforced at all races.

RESTRICTED AREAS: All Handlers, 16 years and older, wishing to be in the hot chute and/or pit areas must sign a Waiver of Liability and receive a wristband to enter restricted areas. Parents may sign Waiver Form for their driver(s).

SIZE OF FIELDS. Novice Classes will have a maximum of eight cars only. Jr. Classes will have a maximum of eight cars. A ninth car may be added if only 9 cars sign in. Other Classes will have a maximum of ten cars. An eleventh car may be added if only 11 cars sign in.

SIZE OF CLASS: 3 Cars Constitute a Class. If less than 3 cars, the lap count will be 10 for both heat and feature (if necessary based on time). Sr. Half will run only if 3 or more cars sign in, and if time permits. No points or trophies will be awarded for the Sr. Half class.

ALTERNATES: There will be Alternates for the Features. If there is more than 1 Semi, the Alternate will be determined by: (1) Qualifying Time (Fastest time will be an Alternate) or (2) Pill Number (Lowest pill number will be an Alternate). If you are unfamiliar with the alternate procedure, please see a club member for guidance.
